October 1, 2022

Sponsor,

Kevin Ward, USFCA President, wishes to extend an invitation to vendors and fire service-related organizations for the opportunity to partner with the Utah State Fire Chiefs Association for an upcoming event.

On January 18, 2023, the Winter Business Meeting & Leadership Symposium at the Dixie Convention Center (1835 Convention Center Drive, St. George, UT 84790) will take place. As a sponsor, you will have the opportunity to network with Chief Fire Officers from throughout the state, as many of them only attend this two-day event prior to the Winter Fire School.

Your sponsorship is a vital part of our organization, allowing the outstanding training of over 150 Chief Fire Officers. This association is designed to benefit all Utah fire departments in various ways. Sponsorship supports not only training and leadership for Chief Officers, but legislative efforts and statewide partnerships and opportunities. Your generosity helps to provide opportunities of various platforms for all departments within the State of Utah.

There will be a vendor sponsored social Thursday evening, beginning at 6:00 p.m. More information will be sent when available.

Thank you in advance for your support.
